Dear Sir/Madam

I am writing as a courtesy to let you know we are holding the Barclays Live London live dance competition on Saturday 31 July. The event will create a large crowd around Leicester Square and there will be music, but we will be working to not create a nuisance.

This event is part of a national series of events, which aim to promote and encourage talent in the communities where Barclays works. Successful Barclays Live events have already taken place in Reading, Birmingham, Leeds and Milton Keynes and this series will include Manchester, Bristol and Glasgow. For further details and information on how you can vote for your favourite dance act please log onto www.barclayslive.co.uk.

If you have any queries throughout the day please contact me on 07825 906 748.

Yours sincerely

Zoe Theobald
