Dear Colleague

'No Distance Left to Run'

A documentary on the band Blur that's a warts-and-all look at their 20-year history, touching on relationships, gigs, successes and failures - right from their early days up to their triumphant reunion in 2009 when they headlined Glastonbury.

All band members are expected to attend this premiere.

#### Sunday 31st January - Odeon West End Cinema, Leicester Square

'Invictus'

Kind regards
