Re: Visits to Licensed Premises by Uniform Police Officers

Dear Sir / Madam

I would like to explain to you about forthcoming police activity in your locality which may involve uniform police officers visiting your premises during your busiest times for the remainder of this month and throughout March.

The intention of this activity is to further reduce incidents of alcohol related crime and opportunist theft in Westminster and particularly within the West End. Some police visits will be undertaken early in the evening, whilst others may occur later at night. The police officers who undertake these visits have been instructed to explain to you the reason why they are visiting your venue and to cause the minimum disruption to your core business activities.

It is my expectation that these visits will assist you in ensuring your customers have a safe and enjoyable time and augment your existing security arrangements.

I trust that you will give your support to this initiative and if you have any questions or concerns about this matter, please do not hesitate to contact me.

Yours sincerely

Neil Acheson
