

# WEST END AMBASSADORS

## Meet the Heart of London's West End Ambassadors

Fitzroy Nash

Bob Wolstenholme

To support the delivery of our safe and clean promise we currently recruit two West End Ambassadors.

They have three key priorities:

- To be in regular contact with your business and other visitor attractions in the area, monitoring and recording their feedback.
- To provide visitor information and advice to the general public about attractions, amenities, events, accommodation, transport and other facilities in the local area.
- Being the 'eyes and ears' on the street, monitoring and reporting any issues.

They will work closely with the Police and Westminster City Council and can be contactable via the Heart of London radiolink.

The team will work a rota providing cover throughout the week, between 8am and 11pm on most days.

Bob and Fitzroy look forward to meeting you soon.
